

# Auto PO Classic for SBT VisionPoint 2000 & VP10

Do your clients write long purchase orders?

Do they rely on SBT's Recommended Reorder report?

If so, recommend **Auto PO Classic**, the best automatic purchase order enhancement for SBT's VisionPoint 2000 and VisionPoint 10 Purchase Orders.

---

## **Regular use of Auto PO Classic...**

- < Saves time by writing purchase orders automatically for items which have fallen below their order point.
- < Keeps inventory stocked at its optimal level.
- < Reduces costly data entry errors.

---

## **Auto PO Classic saves money by...**

- < Reducing the likelihood of shortages.
- < Reducing the frequency of missed sales.
- < Keeps your inventory stocked at its *minimal*, i.e. least costly, level.

---

## **Auto PO Classic is...**

- < **Reliable!** Auto PO Classic is performing flawlessly for satisfied users around the world.
- < **Discreet!** Although fully integrated into SBT's Purchase Orders, only three SBT program files are modified to accommodate **Auto PO Classic**. Your Purchase Orders modifications are safe!
- < **Available now!** Both compiled and source code versions are available.

ALSO AVAILABLE: Auto PO Pro for ProSeries 2.5, 3.x & 5.0!  
SO-2-PO for ProSeries 3.xi and 5.0 &  
VisionPoint 2000!

## **WHO NEEDS Auto PO Classic?**

Manufacturers who cannot afford costly shortages.

Distributors who buy many items from many vendors.

Retailers with large product lines.

Sales organizations which carry little or no on-hand inventory can fulfill customer orders by running Auto PO Classic daily.

Anyone who is serious about managing inventory.

## **FEATURES of Auto PO Classic**

Converts inventory shortages into purchase orders automatically.

Complete ability to review prospective purchase orders before conversion including header, detail and comment maintenance.

Support for multiple vendors.

"Convert & Print" feature prints new purchase orders immediately after conversion.

Summary and detail reports on prospective reorders.

Fully integrated in SBT Purchase Orders.

Easy-to-use interface conforms to SBT Series 7 and VisionPoint standards.

Auto PO Classic is compatible with Purchase Orders for Series 7 and VisionPoint.

Mimics SBT's Recommended Reorder report results.
